

12 April 2018

Prof. Viorel UNGUREANU
Politehnica University of Timisoara,
Department of Steel Structures and Structural Mechanics,
Timisoara, Romania

Dear Prof. Viorel UNGUREANU,

NOTIFICATION OF PAPER ACCEPTANCE

First of all, we would like to thank you for your interest in contributing to the upcoming *International Conference on Advances in Steel Structures (ICASS'2018)*, which will take place in Hong Kong, China, on December 5-7 2018.

On behalf of the Organising Committee of ICASS'2018, we have the great pleasure of informing you that, your paper:

Id number: 112

Paper title: WELDING TECHNOLOGIES FOR BUILT-UP COLD-FORMED STEEL BEAMS:
EXPERIMENTAL INVESTIGATIONS

Author(s): Viorel UNGUREANU, Ioan BOTH, Mircea BURCA, Daniel TUNEA, Marius GROSAN, Calin NEAGU, Andrei CRISAN and Dan DUBINA

has been accepted for presentation at ICASS'2018 and publication in its Proceedings.

Please note that the accepted paper can be included in ICASS'2018 Proceedings if at least one of the authors will register and attend the Conference. Moreover, the Organising Committee has decided that the registered participant can present only one paper at ICASS'2018.

The ICASS'2018 conference (<http://www.icass2018.com/>) is jointly organised by the Hong Kong Institute of Steel Construction (HKISC) and the Department of Civil and Environmental Engineering, the Hong Kong Polytechnic University. This conference is intended to provide a forum for researchers and professionals to discuss and disseminate recent advances in analysis, behaviour, design and construction of steel, aluminium and composite steel-concrete structures. Participants are responsible for the expenses associated with their conference attendance.

We thank you again for your support of ICASS'2018 and send you our warmest regards.

Yours sincerely,

Siu-Lai Chan

Conference Chair

Tak-Ming Chan

Conference Co-Chair

Songye Zhu

Conference Co-Chair
